A CALL TO ACTION

The Mountain Brook City Schools Foundation launched the fourth major gifts campaign in its thirty-year history in August 2024. Led by campaign chairs Caroline Little '97 and Mary Catherine Pritchett '97, the enthusiastic campaign committee worked toward an initial goal of raising \$3 million to increase the endowment fund to \$15 million.

The response and momentum surrounding the campaign during its silent phase by the Mountain Brook community has been incredible, and the initial goal was reached by December 2024. The committee has set a stretch campaign goal in line with the Foundation's long-term strategic plan to increase the endowment fund to **\$20 million** in order to grant Mountain Brook Schools **\$1 million each year**. We aim to surpass this \$5 million goal by **December 2025!**

\$5 MILLION

A LEGACY OF SUPPORT

Mountain Brook families of all generations and ages have contributed to the **Fund Our Future: Endowing Student Success** campaign during the silent phase.

The Foundation's Board of Directors and the Fund Our Future committee looks forward to celebrating the conclusion of the campaign's silent phase with donors at a special event in the Spring!

For more information about the Fund Our Future campaign or to join this special group of supporters by making a campaign gift, **please contact Executive Director Rachel Weingartner at rachel@mbgives.org or (205)414-0042.**
